

From pity to compassion

In a moment of true compassion, the Samaritan chose action over hesitation. He did not dwell on questions or excuses. Instead, he recognized the urgent need to help his neighbor. While offering a prayer and hoping for divine intervention might have been easier, he understood that real change comes from taking action. In that pivotal moment, he went above and beyond, showing that love and kindness require us to step out of our comfort zones and respond to those in need, right here and now. At that moment, the Samaritan became the one God sent to care for him.

Unconditional love is the essence of faith for those who follow Christ.

About Beth-Tikva

Zazou is turning three this September. On June 6, he said his first understandable word in English: “Yes.”

A couple of hours later, the joyful cries of the little ones had turned into fear mingled with anxiety. That same evening, the children began to hear heavy gunfire as two gangs started fighting for territory. Everyone stayed in one room, unable to sleep. By morning, Bill had made a deal with a local figure who owns a minibus and moved the children to another place, somewhat safer than before.

The children are safe. For now, we wait to see when things calm down so we can return home. This is the only choice we have.

Sponsorship program

The INHO Sponsorship Program is dedicated to transforming the lives of the children of Beth-Tikva by providing essential support in food, medical care, and education. Many of these children face incredible hardships, but with the help of generous sponsors, we can ensure they receive proper nutrition, access to doctors and medicine, and the opportunity to attend school. Your sponsorship has a direct impact, offering hope and stability to children who need it most.

Join us in making a difference. Every contribution helps build a brighter future for these young lives. To ask about each child's profile, a pledge form, or information in Spanish, French, and English, contact info@incho.org.
