“You are the light of the world.” (Matthew 5:14)

Dear friends,

At mid-year, we look with gratitude at the fruits God continues to bring forth within our mission. Despite the challenges, despite the instability in Haiti and the limited resources here in Canada, the light continues to shine through every child fed, every young person educated, every volunteer engaged, and every gesture of solidarity.

In particular, I would like to express my deep gratitude to six generous individuals who accepted to sponsor some of our children this year. Thanks to their support, the academic results are encouraging, and several children have been able to continue their school year with confidence and dignity. Your gift is more than a donation. It is a seed of hope planted in the heart of a child.

We move forward with confidence, knowing that the light does not come from us: it comes from God, and we simply have the joy of transmitting it. Thank you for being, each in your own way, bearers of light.

Fr. Robert

INHO update

In Haiti

Beth-Tikva continues its mission with courage and faithfulness. The 26 children supported by INHO are continuing their school year. Daily meals are provided despite rising food prices. Young adults in higher education are progressing with determination. Educational, psychosocial, and emotional-support activities continue to help the children remain resilient.

In Canada

The Board of Directors is working toward expanding to five members by the fall. The reorganized warehouse now allows better management of shipments to Haiti. We are strengthening our volunteer network to support collections and outreach.

In the USA

The process of registering INHO as a charity in the USA is now complete. Volunteers are needed, for example, in fundraising and on the Board of Directors. To get involved, contact INHO USA at info@in的角度.org.

Spring at Beth-Tikva

Highlights of Spring 2026 include:

- Creativity Day: an artisanal weaving workshop.
- Mentorship sessions: university students guiding the younger ones.
- Awareness workshop: hygiene, health, and emotion regulation.
- Liquid laundry-soap making workshop: an interactive session where kids learned to make soap!
- Youth Week: games, sports, and leadership workshops.
- Dream Big Workshop: each child expressed their dream for the future.

Outlook for the rest of 2026

Health

Two mobile health clinics are being prepared for the summer and fall. A partner health NGO has assisted us during our first mobile clinic. We are struggling to find a doctor or health professional to officially endorse the request by our partner. We are actively seeking a medical collaborator.

Education

We need continued support for the 26 children currently in school. Five new students will enter university in September. There is an urgent need for sponsors to help cover university fees.

The Carlo Acutis Project

We received two laptops from a Good Samaritan. We are now collecting additional laptops to open our doors to more than 50 children and offer free computer programming classes.

Civic engagement

A community clean-up day is planned for August, with workshops on environmental care and citizenship.

Language, food, and livestock

Language program

We are preparing a language program for the children, to be implemented in the summer and beyond. The goal is to have illustrated lessons in French, English, and Spanish, designed by Father Robert.

Food program

We are working to reopen the school meal program in Croix-des-Bouquets. Our goal is 50–70 children fed each day.

Livestock project

Two years ago, gangs stole our goats. This year, we hope to restart the project in the rural area of Cabaret. This initiative provides three benefits:

- Training and responsibility: young adults will work together to manage the herd.
- Income generation: the project will help finance their school fees.
- Nutrition: the children will have access to a local source of meat, crucial given severe food insecurity.

Investing in Humanity

June 2026

Needs and how to help

Urgent needs

- Food for the children at Beth-Tikva
- Tuition fees for students finishing the school year
- School supplies for the 2026–2027 year
- Gently used laptops, tablets, and smartphones
- Volunteers to help organize local collections
- And above all: financial donations

Ways to donate

For e-transfer arrangements or direct access via CanadaHelps, contact info@in的角度.org for details.

By cheque, payable to INHO:

C/O Fr. Robert Pierre Louis

11075 Blvd Gouin O, Pierrefonds, QC H8Y 1X6

Official tax receipts available in Canada.

A \$25 donation can provide a nutritious meal or school supplies for a child.

About Haiti corner

The name Haiti means “mountainous country” in the language of the Indigenous Taíno people.

“If you cannot feed a hundred people, then feed just one.”
